| 1. | Description of works: -          | Cyclical Drainage Maintenance  |
| 2. | Reason for works: -              | Maintenance of highway assets  |
| 3. | Main Contractor: -               | Balfour Beatty   |
| 4. | Commencement date: -             | 4 <sup>th</sup> December 2024  |
| 5. | Approximate duration of works: - | Full road closure will be in place during this time between 2000-0600, with limited access |
| 6. | Traffic Management: -            | Full Road Closure  |

This date is provisional as other operations that LCC undertake may have priority.

Due to the nature of the works and to ensure the safety of the workforce it will be necessary for the road to have in place a road closure.

Every effort will be made to maintain access to properties within the working area during working times, however, please liaise with the onsite workforce to ensure this can be made possible.

If you do require access to your property during the works, and it is within the works area, please be aware that you will be travelling through a live construction site. As such, please exercise caution, drive slowly, and observe any instruction given by the workforce.

If you have any specific needs during the works, please speak to one of the operatives on site who will endeavour to assist.

Should you have any queries or require further information, please contact the Customer Service Centre on the telephone number above. Thank you in advance for your patience and co-operation.

Yours faithfully

for Programme Leader Highways Drainage Asset & Cyclic Works
